

Muhammad Huzaifa

Frontend Developer

I'm a **Frontend Developer and BS Software Engineering student (2024–2028)** focused on building modern, responsive, and user-friendly web experiences using **HTML, CSS, JavaScript, React.js, Tailwind CSS, and WordPress**. I enjoy turning ideas into clean, interactive interfaces through real-world projects. **My goal is to strengthen my frontend expertise and grow into a skilled full-stack software engineer.**
